SCHOOL BASED YOUTH SERVICES PROGRAM

The School Based Youth Services Program at Creative Arts Morgan Village Academy helps students and their families gain access to health and social services. The School Based Youth Services Program (SBYSP) is a comprehensive support service that coordinates and provides information on social services and community resources available, as well as confidential medical and mental health services to students on site. The SBYSP serves as a link between the schools, students and their families, the community, and health & social service agencies.

Programa de Servicios a la Juventud con Base en la Escuela (SBYSP)

El Programa de Servicios a la Juventud con Base en la Escuela (SBYSP), en Creative Arts Morgan Village Academy ayuda a los alumnos y sus familias a tener acceso a los servicios sociales y de salud que necesitan. Proporcionando información acerca de los recursos disponibles en la comunidad y ofreciendo en nuestras oficinas servicios de salud física y mental, de manera confidencial. Este programa sirve como puente de conexión entre la escuela, los estudiantes, sus familias, la comunidad y las agencias de salud y atención social.

OUR GOAL

The goal of SBYSP is to help young people navigate the adolescent years, get a quality education, obtain essential life skills and graduate healthy and drug free.

WE ARE COMMITTED

The SBYSP is committed to treating each student in a confidential manner, offering services in the best interest of the individual, while respecting the age, cultural values and family situation of every student.

WE ARE DEDICATED

The SBYSP is dedicated to promoting a healthy school and community. The SBYSP office is staffed by a team specializing in child/adolescent health. The team includes a physician, a licensed nurse practitioner, a health & social service coordinator, a family specialist, a community resource specialist, a drop-out prevention officer, and a health educator.

NUESTRO OBJETIVO
